HELP US HONOR OUR VETERANS

We would like to invite you to the 2nd annual Veterans Day Concert. The purpose of this fundraising event is to honor our bravest men and women with a memorable night of music, performed by the Maryland Conservatory of Music, special presentations and dining.

You will also learn more about the three great organizations that will benefit from your generosity: Blind Industries and Services of Maryland, Warriors on the Green, and Sound Minds USA. All three organizations proudly support the U.S. military through programs, services, and opportunities.

Whether you are a veteran, active military or a patriotic supporter, you do not want to miss this special night dedicated to the men and women who serve their country.
