

# The MIE Study

Moral Injury and the Lived Experience in Post-9/11 Veterans

Interested in sharing the stories of your experiences in the military?

Help researchers better understand the life experiences and lifestyle behaviors of Veterans.

Are you...

- A Post-9/11 Veteran who's at least 18 years old and has had at least one overseas tour?
- Interested in spending about 2 hours telling your stories and answering questions about your experiences and lifestyle behaviors like exercise and food choices?
