

New for fall 2019!

TRAUMA INFORMED CARE

Trauma informed care: methodology for working with children, adults and families of nonprofit organizations. History matters.

Many individuals and families seeking assistance from human service organizations have histories including drug addiction, mental illness, sexual abuse, frequent incarceration and other types of trauma-inducing experiences. Examine the concept of trauma, its prevalence among clients of human service organizations, its profound effect on client outcomes and the use of effective trauma informed care practices and strategies.

HUS-234

Trauma Informed Care - 2 cr hrs

8 weeks, Aug. 26-Oct. 20
