**Be a hero for a hero! During this free 7-week course, you will learn about dog psychology and training methods through individual, group or family sessions.**

Warrior Canine Connection enlists Service Members and Veterans with combat stress in the critical mission of training service dogs for fellow Wounded Warriors. It takes a community of dedicated individuals to train, care for and love these dogs. Come support the mission and help save lives through honoring the warrior ethos; always placing the mission first.
