

FOUNDATION

The Korean War Veterans Memorial Foundation is a nonprofit, tax-exempt organization entrusted with the responsibility to ensure the Korean War Veterans Memorial in Washington, D.C., will be maintained in perpetuity.

Our nation owes a debt to its fallen heroes that we can never fully repay.

MEMORIAL

The Korean War Veterans Memorial commemorates the sacrifices of the 5.8 million Americans who served in the U.S. armed services during the three-year period of the Korean War. It honors those who fought and reminds us all that "Freedom Is Not Free."

WALL OF REMEMBRANCE

In October 2016, legislation was passed in tasking the Foundation with raising the funds necessary to build and establish a Wall of Remembrance to be incorporated with the existing Memorial. The Wall will become the permanent home to the names of 36,574 American military personnel and over 8,000 Korean Augmentation to the United States Army (KATUSA) who made the ultimate sacrifice — names which might otherwise be forgotten.

MISSION

Our mission is to build the Wall of Remembrance and to help educate the 4 million visitors the costs of war and to honor this with great reverence.

WE NEED YOUR HELP

All funding is to come from donations. Your tax deductible gift will support our goal to raise the necessary \$25 million needed to complete this ambitious project.
