

MilKid 101: Military Student Foundations

Define and understand the complexity of military-connected student lives, their families, and the implications of military service. Learn to analyze current practices for successfully supporting military-connected students and the importance of supportive schools and partnerships.

Note: This is an update to the previous *Supporting Military Children through School Transitions* course.

LEARNING OUTCOMES

- ★ Explain how the elements of transition and separation impact the military family using print media, current research and participant's experience.
- ★ Interpret data from MCEC research and institute networking that addresses school transitions.
- ★ Analyze current transition practices/programs for entering and exiting mobile students by utilizing research and networking activities
- ★ Formulate a viable transition action plan.
