

# VetC 201: School Transitions

Explore the unique academic and social-emotional challenges children often face when their parents transition from military to civilian life. Discover new resources and positive strategies to successfully support Veterans' children through these unfamiliar transitions. \*This is an update to the previous "Supporting Veterans' Children Through Transitions" course.

## LEARNING OUTCOMES

- ★ Explore the academic and social-emotional implications for children and youth when their parents voluntarily or involuntarily transition from the military to civilian life.
- ★ Identify needs for children and youth whose military-connected parents have died, been wounded, or have combat-related illnesses.
- ★ Discover resources and integrate positive strategies to support Veterans' children.
