- ✓ Do you need certification courses to boost your career?
- ✓ Do you have college credits but no official degree?
- ✓ Are you a veteran looking to use your veteran education?
- ✓ Are you interested in learning more but not sure where to begin?

If you answered “YES”, the Veterans Career and Education Symposium is for you!

The Department of Homeland Security, in conjunction with the Veterans Benefits Administration and other sponsors, is proud to offer this event to Transitioning Service members and Veterans. Join us to learn more about education benefits and employment opportunities with the federal government.

The Career and Education Symposium will present information on how to use your benefits to help boost your career and enhance your education. Highlights include:

- Information on how and when to use your veteran education benefits
- Advice on enhancing your career through education
- How to obtain federal employment through the Student Pathways Program
- Information on Veterans Preference and the Federal Hiring Process

Open to all transitioning active duty and former service members
