National Capital Region Benefits Office (NCRBO) Virtual or In-Person Services Now Available

We are glad to announce an expansion of our services. As we adhere to the CDC guidelines, we are practicing social distancing by reducing the number of people allowed in our waiting room.

Thus, only visitors with pre-scheduled appointments will be seen in person. If you do not currently have an appointment, please reach out to schedule an appointment with us using our new scheduling system.

Veterans can now schedule a telephone or in-person interview appointment with a National Capital Region Benefits Office representative to discuss all their benefit needs. It's easy! **Just call (202) 530-9028 to schedule a telephone interview or in-person appointment.** A NCRBO representative will call you at the time of your scheduled appointment.

**Thank you for your service.
We look forward to serving you!**
