Join us for Puppies and Yoga along with representatives from 5 Veteran Service Organizations in Maryland to help raise awareness for the National Alliance on Mental Illness (NAMI) and break the stigma of mental health care for veterans and military families.

This will be a FREE virtual session with gentle and adaptive yoga for all – including puppies from Warrior Canine Connection, born to be of service to their communities!

Join us to celebrate NAMI Walks, advocate for Mental Health and come together for wellness!

Open to the PUBLIC and all advocates of military mental health awareness.

After registration, an email will be sent on how to join the virtual event.
