

Serving Maryland Veterans

During COVID-19

"Please join me as I invite my colleagues and friends from across the state to help give back to our veterans during Military Appreciation Month!"

-Delegate Mike Rogers

Friends,

Please join us and members of the Legislative Black Caucus of Maryland and the Maryland General Assembly Veterans Caucus in an initiative to support our Veterans living at Charlotte Hall Veterans' Home. Veterans, especially those living in nursing homes, are some of our most vulnerable during this crisis. With protocols in place to limit exposure, it is more challenging for them to physically meet with family. We hope that by collecting and donating toiletries we can help to serve those who selflessly have served for us. Please use the list as a guide for what to donate. Please see the list for drop off locations and times.
