ENTREPRENEURSHIP WEBINAR SERIES

VLV CLASS

- **COACHING** - This 2-week course is designed to help veterans develop viable new business ideas and begin the process of developing business plans. Led by Rothman Executive Director, Dr. Dale Caldwell, 20 years of management consulting and an ICF Certified Coach.
- **WEBINAR SERIES** - This 4-week lecture series focuses on the foundational building blocks of launching a business with the goal of developing a feasibility report on a proposed business idea. The class is led by the FDU Rothman/Small Business Development Center team.
- **VLV CLASS** - This 9-week course is structured into weekly modules to aid each entrepreneur in writing a comprehensive business plan using the proprietary curriculum of Sakti Kunz. Each student is paired with an experienced consultant to guide them through the course.
