

LIVE WEBINAR

15 Things Veterans Want You to Know

DR. HEIDI KRAFT, PH.D.

Chief Clinical Officer,
PsychArmor

Join PsychArmor (P/A) and the Maryland Department of Health for this one-hour live webinar where we will explore the veteran community and discuss topics that relate to it. Through personal storytelling via our host, and the P/A training course, we will empower individuals of your organization who are veterans or work with veterans to better facilitate conversations and understanding.
