

VETERANS DAY COMMUNITY CONNECTION

Saturday, November 12, 2022

11:00am - 12:00pm

At Severna Park Library

45 West McKinsey Road, Severna Park

In observance of Veterans Day, Severna Park resident and Gold Star Mother Ms. Jeannette Middleton Sudano will talk about what her son, Airman First Class Nathaniel McDavitt, would want us to know about his purpose and service in the Air Force. AIC McDavitt died from injuries sustained while serving in Jordan in support of Operation Inherent Resolve.

Dana Burl, Director of Communications for the Maryland Department of Veterans Affairs, and Joy Ashcraft, Director of Maryland's Commitment to Veterans for the Maryland Department of Health, will discuss their programs and available Veteran services.

Bring a friend, neighbor, or loved one who has served to this event. We look forward to thanking our Veterans for their service.
