

Veterans Moving Forward, Inc., is a 501c3 nonprofit whose Training Center is located in Dulles, VA. Today we are happy to announce that we have received a wonderful donation of \$100,000 from the Weinberg-Guttman Family Foundation, Inc., Silver Spring, MD.

The Weinberg-Guttman Family Foundation, Inc. donation will allow VMF to continue our mission of training and placing our great Service Dogs with deserving veterans dealing with mental and/or physical challenges at no cost to the veteran or their family. We are so grateful for this wonderful support to our Service Dogs for Veterans programs as we recognize so many of our military need support like ours, especially to help prevent the tremendous number of military suicides every day.

Many other veterans need our help. For more information or to make that tax-deductible donation, please visit the Veterans Moving Forward website: www.vetsfwd.org. Also check out our Facebook page at www.facebook.com/veteransmovingforward. Your donation and hopefully, continued monthly support, will also ensure that we are able to support these deserving veterans across the country.

“Thank You” to Ms. Guttman and Mr. Leonard Lamm, President, Weinberg-Guttman Family Foundation, Inc., for your strong support. It is so greatly appreciated.

Veterans Moving Forward: We’re not only changing lives, but we’re saving the lives of these great American heroes every day.
