## ***A Mentoring Circle Designed just for the Women of the Platoon 22 Families***

Platoon 22 & Woman to Woman Mentoring are coming together this summer to offer a small-group program for you to explore what's next in your life. This free eight-week program allows you the unique opportunity to be both the mentee and the mentor in a caring community while gaining clarity as to who you are now and how to take steps towards achieving what you value most. You'll hear other women's experiences, perspectives, and hard-won wisdom while sharing your own to help one another move forward.

### ***A Few Special Notes about this Mentoring Circle***

- This is a special opportunity only for the women of Platoon 22 families (female veterans, spouses, mothers, caregivers, etc.).
- Lunch and Childcare will be provided to help you carve out this time just for you!
- All sessions will be hosted at the Veterans Service Center.
- Sessions will run on the following dates from 12:00PM-1:30PM | 5/3, 5/17, 5/31, 6/14, 6/28, 7/12
- This is a free program and we can't wait to meet you!

***Join us to discover a community that  
can provide support and accountability  
while we all embrace who we are and  
empower where we are going. It's time  
to explore "What's Next."***

**Learn more and let us  
know your are interested at**
