The PACT Act and VA Benefits & Health Care Eligibility

The PACT Act is a new law that expands VA benefits and health care for Veterans exposed to burn pits and other toxic substances. It is one of the largest expansions in VA's history and could impact generations of Veterans and their survivors.

If you served during the **Vietnam, Gulf War** or **Post-9/11** eras, register today for this free event to find out how the PACT Act affects you. Even if you have been denied VA benefits or health care in the past, you may now qualify under this new law.

This event is sponsored by the Chesapeake Veterans Alliance, which includes the U.S. Department of Veterans Affairs and the Maryland Department of Veterans Affairs, in partnership with the Anne Arundel County Veterans Affairs Commission and the Anne Arundel Community College.
