For Vets and Their Families

Do You Like Building Models?

Would You Like to Learn About Building Models?

It's fun and relaxing

My name is Bill Sterling, and I'm interested in forming a model building club for Vets and their families. If interested please contact me

Email: downnecker@gmail.com — Cell: 410-714-2211

US Kennels has graciously offered use of one of their rooms.
Frequency of meetings and times will be determined based on interest.

If you have a model-you can bring it to work on
If you need a model to work on-let me know

One entry level model will be available for vets and family members new to the hobby.

Basic items such as model glue, newspapers, etc will be provided as needed

Bring your Kids

Other than what you want to spend on your model, it's FREE FREE FREE
