

SAVE THE DATE

Operation Green Light

Join us again this year as we turn Maryland green and show our veterans and military families they are seen, heard, and supported!

Who should join:

- **Government**
- **Nonprofits**
- **Individuals**

Campaign Highlights:

- **Building illuminations**
- **Proclamations**
- **Training and resources**

**November 6 -
November 12**

For more information, visit our website at
veterans.maryland.gov/operation-green-light/

About the campaign:

This past Veterans Day, the Maryland Department of Veterans Affairs (MDVA) joined the National Association of Counties (NACo) Operation Green Light to show support for veterans by lighting buildings green the week of Veterans Day. By shining a green light, governments, nonprofits, and residents were able to show veterans that they are seen, appreciated, and supported.

Operation Green Light provided educational opportunities to learn more about military culture, suicide prevention, and things veterans want us to know about their service. We also used the campaign to highlight federal, state, and local programs for the military connected community in Maryland.

MDVA collaborated with the NACo, Maryland Association of Counties (MACo), Maryland Municipal League (MML) and County Veterans Affairs Commissions on Operation Green Light. This November, and we look forward to increased participation and to seeing Maryland illuminated in green.

Visit the MDVA website for the 2023 Operation Green Light toolkit. Help us spread the word by sharing the website link and by encouraging your organization to get involved.
