

Homeless Veterans Reintegration Program

Easterseals Homeless Veterans Reintegration Program (HVRP) helps veterans experiencing homelessness or those at risk of homelessness build a foundation for finding and keeping long-term employment.

We prepare male and female veterans for stable, long-term employment. HVRP addresses veterans' complex needs, helping them enroll in local support services.

We are with our veterans every step of the way, including follow ups after employment is secured.

Our Services

- Personalized career planning
- Funds for in-demand job training and certifications
- Job placement services and follow ups
- Referrals to support services (housing, health, legal, transportation)

Service Areas

We serve veterans throughout Washington, DC; Maryland; and Virginia

Eligibility

- Homeless or at risk of homelessness
- Veteran status
- Active-duty service & discharge other than dishonorable

CONTACT US

For information on how we can help you, contact HVRP at veterans@eseal.org.

Easterseals DC MD VA's Homeless Veterans' Reintegration Program is 100 percent funded by the U.S. Department of Labor through awards totaling \$1,000,000.
