

## ABOUT NO ONE LEFT BEHIND

No One Left Behind is the oldest charitable organization focused specifically on supporting former interpreters and U.S. government employees eligible for the Iraqi and Afghan Special Immigrant Visa (SIV) programs. We help evacuate deserving SIV applicants to safety and provide resettlement assistance to help them start new lives as Americans. We also advocate for our allies with the U.S. government and partner with other charitable organizations and advocacy groups. No One Left Behind was co-founded by Janis Shinwari, an Afghan interpreter for U.S. forces who saved the lives of five American soldiers in combat. When donors raised \$35,000 to support his family's resettlement in 2013, he instead used the funds to co-found No One Left Behind. Ever since, Janis and No One Left Behind have paid his gratitude forward to new SIV recipients.

## VOLUNTEER WITH NO ONE LEFT BEHIND

No One Left Behind relies on the helping hands of dedicated volunteers to assist in fulfilling its mission. We welcome volunteers in the four following areas:
