

## Therapeutic Horticulture & Planting for a Harvest in 2024

June 15th, we had a great site visit and kick-off to our Therapeutic Horticulture for Veterans.

July 20th, we will learn about irrigation systems.

August 3rd, we will continue with the irrigation systems adding on seed starting and possibly grow-bags.

Each session is 9:30 AM – 12:00 PM

For more information, please contact Dr. T. Daniel at 202.498.5678
