"The West Point Society of Baltimore is proud to host this event, bridging the gap between employers and the exceptional talent within the military community. We, like most Americans, want to help take care of our Veterans and their Families and this is a GREAT way to do just that," says Michael R. Nelson, COL (Ret), President of the West Point Society of Baltimore. "We believe this job fair offers a valuable opportunity for both parties to explore mutually beneficial career paths/opportunities."
