

988 Community Ambassador Program for Service Members, Veterans and their Families

CALL 988 offers high-quality emergency emotional support to residents in Baltimore City, Baltimore County, Howard County, and Carroll County.

Led by Behavioral Health System Baltimore (BHSB), the 988 Community Ambassador Program is a three-month program designed to build trust about the 988 Helpline through partnership with key community leaders from all jurisdictions.

Ambassadors are:

- Service Members or Veterans
- Connected to a diverse network
- Effective communicators
- Passionate about mental health

Ambassadors will:

- Attend required meetings
- Serve as a community liaison
- Conduct outreach to other Service Members, Veterans and their families at events
- Collaborate with BHSB to address complaints and concerns
