Flu Shot Information for Enrolled Veterans

Flu Shots from an In-Network Community Pharmacy:

1. Be sure that you received care through VA within the past 24 months to be eligible.
2. Find an in-network community pharmacy near you at www.va.gov/find-locations.
3. Take your VA Veteran Health ID card, or another government-issued ID, with you.
4. Share this coding information with the pharmacy staff:
   BIN #: 004336
   PCN: ADV
   Rx Group: Rx3841
   For more information call 800-364-6331 or visit:
   bit.ly/2024Flu.
5. After you've received the flu shot, notify your VA primary care team during your next appointment or through secure messaging so it can be noted in your medical record.

Flu Shots from the VA Maryland Health Care System:

Flu shots are available at all VA Maryland Health Care System medical centers and outpatient clinics.
