

WELCOME TO THE WOMEN WARRIOR NETWORK OF BALTIMORE

An initiative of EveryMind's ServingTogether program, this community is designed for female veterans and servicewomen navigating the transition to civilian life. The Network offers connection, support, and empowerment through monthly gatherings—creating a safe and inclusive space where women can share experiences, build relationships, and thrive together.

STRENGTH THROUGH CONNECTION

Our network is more than a place to meet—it's a space to grow, learn, and thrive together. Through monthly gatherings, you'll find opportunities for:

Growth: Strengthen your skills and confidence with resources designed for Women Veterans.

Community: Build meaningful bonds through shared stories, support, and sisterhood.

Discovery: Explore new perspectives and opportunities that empower your next chapter.

THIS IS A WELCOMING COMMUNITY WHERE WOMEN VETERANS CAN:

- Build meaningful connections
- Access valuable community resources
- Share stories, support, and sisterhood
- And so much more!
