OUR CARE AT A GLANCE

WHO IS ELIGIBLE?

Veterans & Service Members

Post-9/11 veterans who served in the United States Armed Services, including the National Guard and Reserves, regardless of role while in uniform, discharge status, or combat experience. Active duty service members are also eligible for care, with a TRICARE referral.

Military Family Members

Parents, siblings, spouses or partners, children, caretakers, and others of veterans, active duty, National Guard, Reserve, or fallen service members.

BENEFITS OVERVIEW

Available to All

All post-9/11 veterans, active duty service members, and military families are eligible for care. There is no cost for care for those with no insurance.

Telehealth Services

Our Cohen Clinic offers telehealth statewide in DC, DE, MD, NJ, PA, VA, and WV. cohenveteransnetwork.org/telehealth

Same-Day Crisis Support

Same-day crisis support is available.

More Than Mental Health

We provide support for related needs including unemployment, housing, finance, and education. Child watch is also available during appointments by request.

HOW WE WORK

What We Treat

A variety of mental health issues including depression, anxiety, post-traumatic stress, adjustment issues, anger, grief and loss, family issues, transition challenges, relationship problems, and children's behavioral problems.

Guaranteed Confidentiality

We will not share your confidential information with the U.S. Department of Veterans Affairs or other public, private, or government entities unless required by law. We comply with federal guidelines set by the Health Insurance Portability and Accountability Act (HIPAA).

Client-Centered Care

Our skilled clinicians and staff have been trained to work specifically with veterans and military families, and some are veterans themselves. We build the trusting and confidential relationships necessary to provide excellent, personalized care.
