**Opting into Statewide Promotional Events:**

Scroll through the **FARM AND BUSINESS FEATURES** choices.

Look for the check boxes under “EVENTS”.

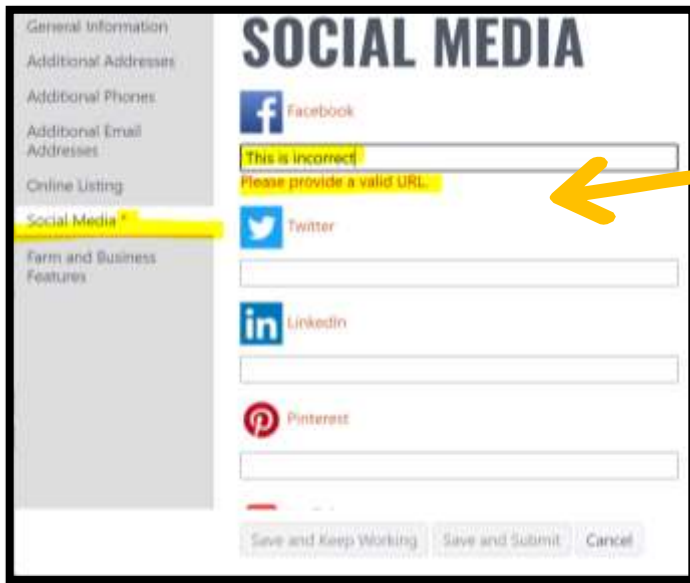

A blue box with a white check mark means it is selected – and you are opting into that event.

**Be sure to save and submit once complete!**

## Errors and troubleshooting

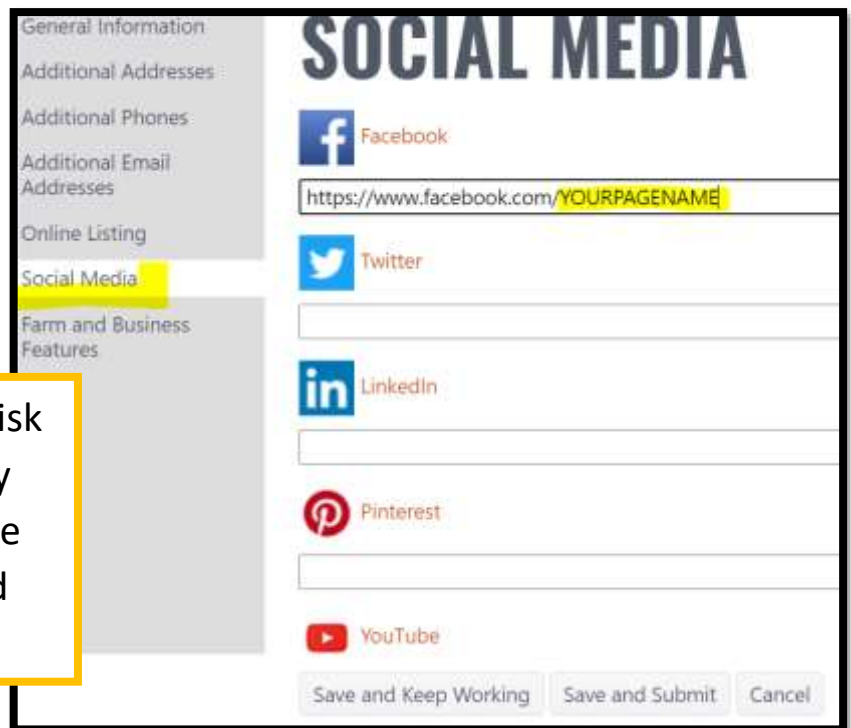

Did you input information, and click save and submit, but the screen does not change? It may be due to incorrect formatting of required information. The most common example is with the social media section.

The screenshot shows the 'SOCIAL MEDIA' section of a member portal. The left sidebar contains navigation options: General Information, Additional Addresses, Additional Phones, Additional Email Addresses, Online Listing, Social Media (highlighted in yellow), and Farm and Business Features. The main content area has a title 'SOCIAL MEDIA' and four social media input fields: Facebook, Twitter, LinkedIn, and Pinterest. The Facebook field contains a red asterisk and a yellow prompt: 'This is incorrect. Please provide a valid URL.' A yellow arrow points from this prompt to the right. At the bottom, there are three buttons: 'Save and Keep Working', 'Save and Submit', and 'Cancel'.

**A red asterisk \* displaying on screen denotes missing or incomplete information. You will not be able to save and submit until corrected.**

**Follow the prompt** to correct required information. In this example, the corrections are highlighted in yellow.

The screenshot shows the 'SOCIAL MEDIA' section of a member portal, similar to the previous one. The left sidebar is the same, with 'Social Media' highlighted in yellow. The Facebook field now contains the URL 'https://www.facebook.com/YOURPAGENAME', where 'YOURPAGENAME' is highlighted in yellow. The red asterisk and prompt are gone. The other social media fields (Twitter, LinkedIn, Pinterest) are empty. At the bottom, there are three buttons: 'Save and Keep Working', 'Save and Submit', and 'Cancel'.

Check to see if the red asterisk and prompt are gone. If they do not appear, you should be able to successfully save and submit your corrected info.
