

About this service

- MDACF's Ag Trades Show Ag Equipment and Supplies Classifieds is a bulletin board at the show.
- Farms that want to promote equipment for resale may use this free service.
- Listings are subject to terms and conditions.

Two ways to promote your farm equipment for sale

1. **Digitally, before the show:** Fill in this form by Dec. 27. The entries will be organized into a paper directory and tacked onto the bulletin board at the show. You cannot adjust your info after you submit it.
2. **On-site, at the show:** Create a pre-written classified. When you get to the show, add it to the bulletin board. For example, use an 8.5x11 flyer, tear sheets, note cards, labeled photographs, etc.
