# JUMPING WORMS: A CONVERSATION

WHAT WE KNOW &  
WHAT WE'RE LEARNING

**JUNE 17 & 18**  
**1 - 4 PM**  
**VIRTUAL**

## About

### The Virtual Workshop

Join this free virtual workshop to explore the latest research, monitoring efforts, and emerging management approaches for invasive jumping worms.

Whether you're new to the topic or already familiar, all knowledge levels are welcome!

This is your chance to ask questions and engage with leading jumping worm experts from across the United States during dedicated Q&A sessions after each presentation.
