Dear Maine Immunization Program Provider,

The coronavirus pandemic has undoubtedly changed many ways in which we live and how we conduct business. We are looking to gather information from you about how the COVID-19 response has impacted your clinic and its services. We invite you to fill out this survey below, which should take no longer than 5-10 minutes. This survey is for informational uses only. Your responses will be confidential and information you share will not impact your participation in the VFC program. We appreciate you taking the time to fill out this survey.
