

The Maine CDC is pleased to share the creation of the Maine Crisis Line logo and resources available for download or order on the Maine Prevention Store.

Maine Crisis Line logos:

- [Full color](#)
- [White only](#)
- [Two color](#)
- [Black](#)

This logo is designed to be used broadly by partners and other interested parties on print or digital materials to help promote the Maine Crisis Line.

---

In addition to the downloadable logo, there are also materials that can be [ordered](#):

- Magnets
- Stickers
- Business cards

**FREE. CONFIDENTIAL. AVAILABLE 24/7.**

The business cards have the Maine Crisis Line logo on one side and a blank backside—these cards can be used as appointment cards and can fit easily into a wallet or pocket for future reference. We currently have a limited supply of printed materials but hope to add more items in the coming months!

---

The Maine Crisis Line, a program of The Opportunity Alliance, helps to stabilize individuals and families while assisting in crisis resolution and action planning. If you are concerned about yourself or about somebody else, call the 24-hour crisis hotline and speak with a trained crisis clinician who can connect you to the closest crisis center. The line can be contacted by phone call or text at 1-888-568-1112, there is also an option for live chat through [The Opportunity Alliance's website](#).

While you're on the Maine Prevention Store check-out our other suicide prevention materials—particularly our [#Bethe1to](#) and [Mental Health Matters Too](#) downloads perfect for social media.
