Organized in 1925

**FROM SURVIVING TO THRIVING: *Strategies for
Managing Burnout and Growing Capacity in Water
Utilities***
4.0 BLWSO TCHs

Join MWUA, Maine DWP, and Maine PUC for a day of learning and networking. DWP and PUC will share ways to increase the technical, managerial and financial capacity of your water utility, including: grant opportunities, asset management, considerations for the useful life of drinking water infrastructure, capital improvements, keeping up with increasing costs, considerations on staffing and associated issues.
