

March 7, 2017
12:00 noon – 1:00 pm

Topics:

- 🦟 Emergence and expansion of Lyme disease in Michigan
- 🦟 New 2017 CDC/CSTE case definition and investigation guidance
- 🦟 New process for tick identification and testing in Michigan

Webinar Host:

Emerging & Zoonotic Infectious Diseases Section
Michigan Department of Health & Human Services

Please use the information below to connect to the webinar on March 7th:

ACCESS INFORMATION – BOTH AUDIO AND VIDEO

For video:

(audio is also available through your computer with headphones or speakers):

URL: <http://breeze.mdch.train.org/zoonotic/>

Click “Enter as a Guest” and fill in your name and organization.

For phone audio:

Toll-free number: 877-873-8017

Participant passcode: 7931338

A limited number of phone lines are available for each call, thus, if possible we kindly request if there are multiple participants in one location that you dial-in on a single line, or listen through your computer speakers. Thank you for your understanding.

If you have never attended an Adobe Connect meeting before:

Test your connection: http://breeze.mdch.train.org/common/help/en/support/meeting_test.htm
