Dear <First name> <Last name>,

You have health coverage through Healthy Michigan Plan (HMP), a Michigan Medicaid program. This letter is about changes to HMP.

Starting January 1, 2020, Michigan law will require some people in HMP to tell us each month about 80 hours of work or activities like job search.

If they don't, they could lose health care coverage.

You are exempt (excused) because you are at least 62 years old.

Our records show that you are exempt (excused) from reporting work or activities like job search.

What do I have to do?

You do not have to do anything. You do **not** need to report work or other activities and will not need to in the future.

What if I still have questions?

To learn more, go to HealthyMichiganPlan.org. If you still have questions, call the Beneficiary Help Line at **1-800-642-3195** (TTY: 1-866-501-5656). You can call Monday through Friday, 8 a.m. to 7 p.m.

Thank you,
Medical Services Administration
