MDHHS continues Flint mobile food pantries during May
Department and Food Bank to take extra precautions due to COVID-19

LANSING, Mich. – The Michigan Department of Health and Human Services (MDHHS) will continue to provide nutritious food by the truckload to Flint residents throughout May.

MDHHS has provided the Flint mobile food pantries since February 2016 in partnership with the Food Bank of Eastern Michigan in Flint.

Since the outbreak of COVID-19 in Michigan, food pantry distributors are taking extra precautions to keep customers and volunteers protected. Each site is requiring volunteers to wear gloves and masks, clean their hands with hand sanitizer often, and take steps to sanitize distribution buildings throughout the day. Customers do not have to step out of their vehicle to receive food – volunteers are asking the customer to simply open their trunk and they will load up the vehicle with food to reduce contact.

This month's mobile food pantry distribution will have plenty of delicious, vitamin-rich produce, including onions, watermelon, cabbage and cantaloupe, plus milk.

May dates for distributions are:
