PREVENTING ILLNESS

GET MEDICAL HELP

PREFERRED METHOD OF COMMUNICATION

QUICK COMMUNICATION

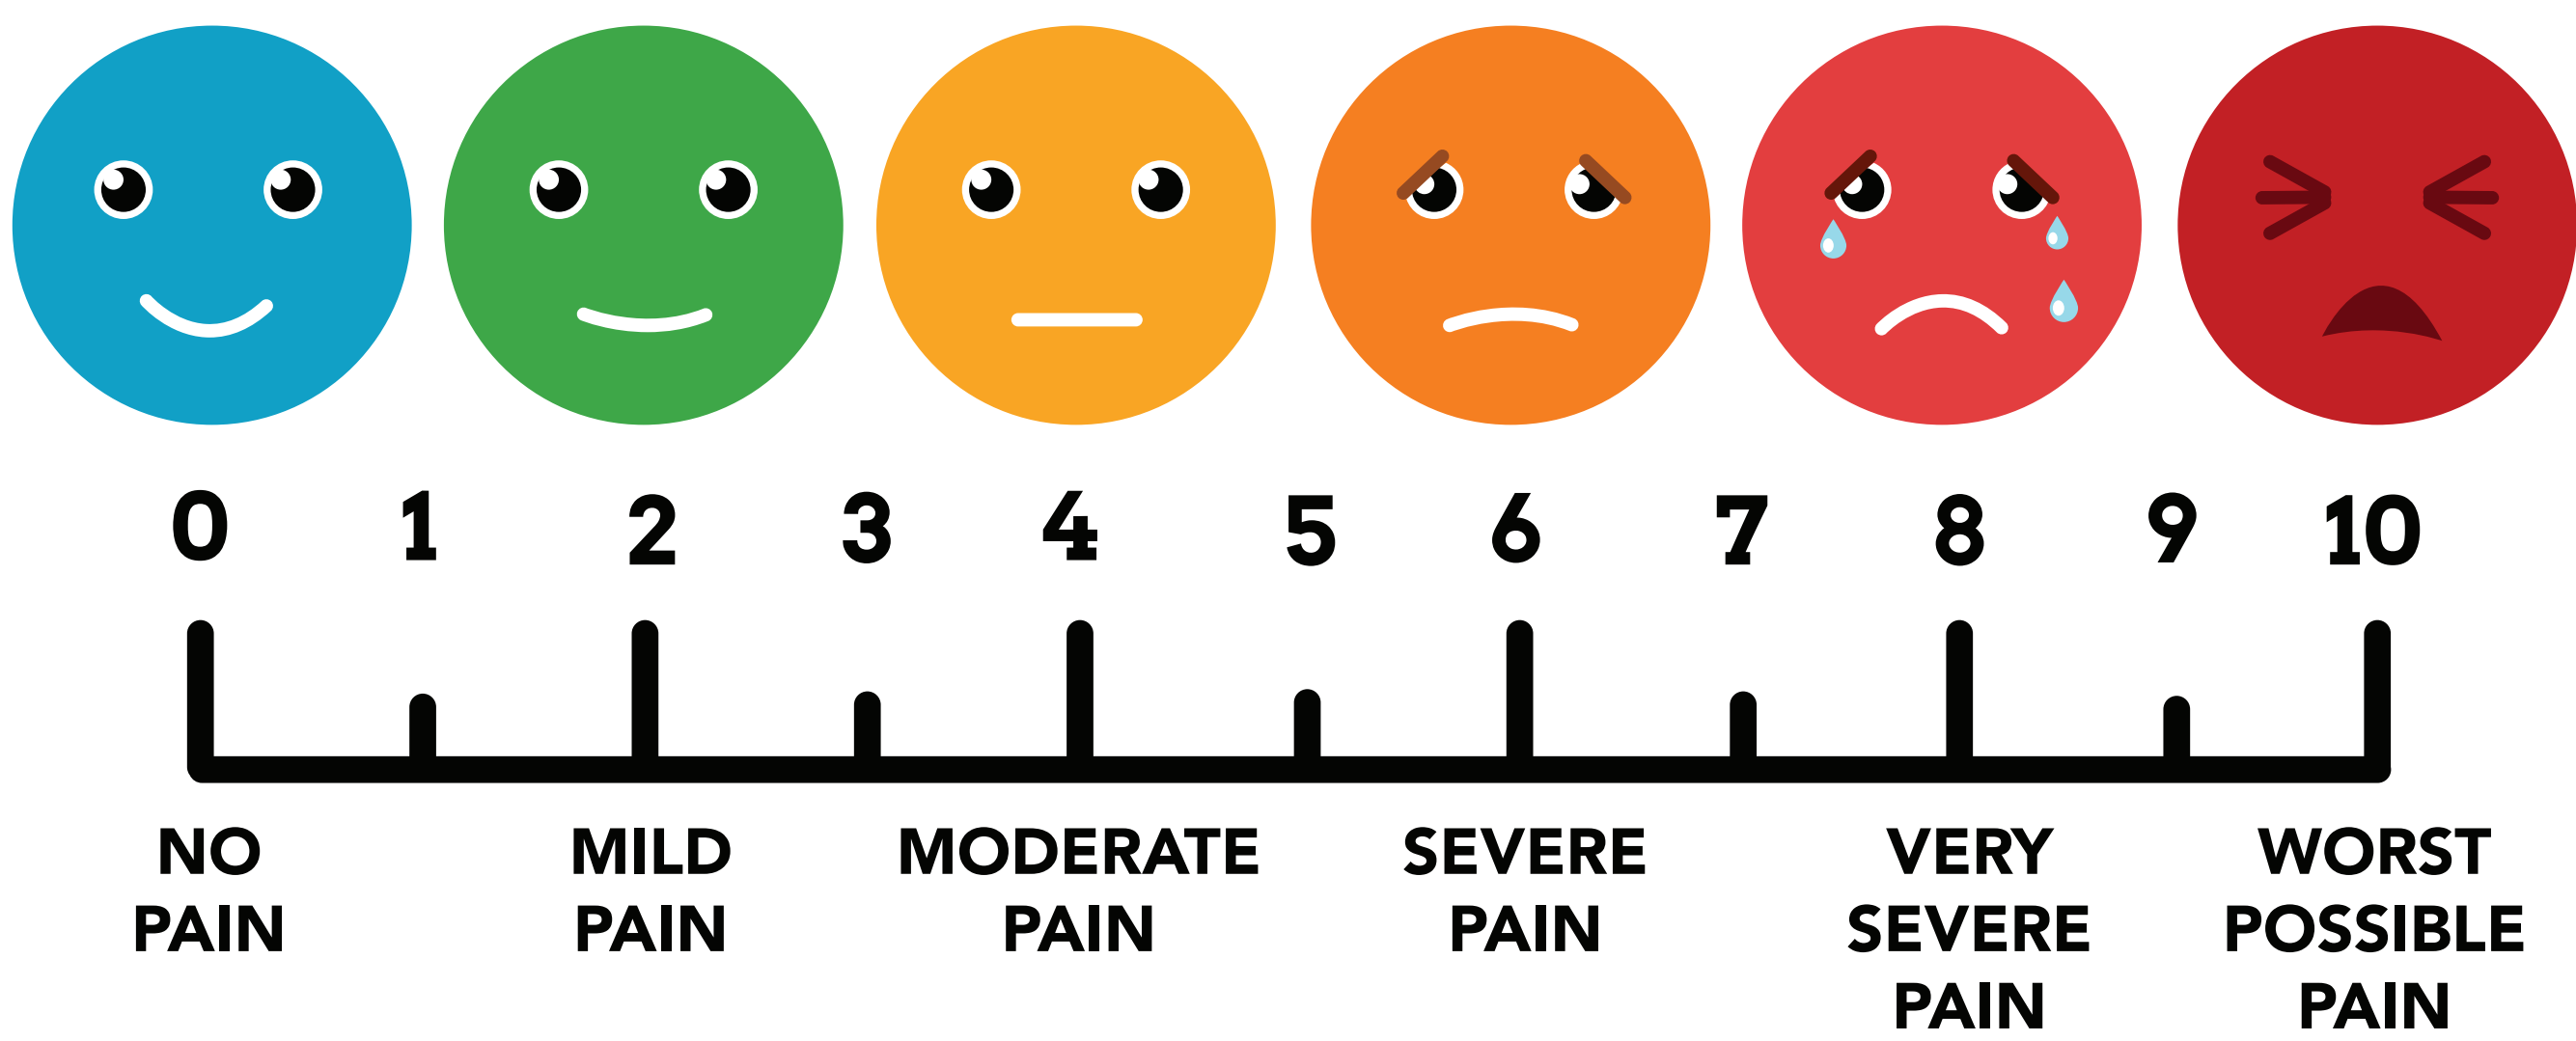

TIPS FOR HEALTH PROVIDER

- ▶ Get the person's attention and make eye contact.
- ▶ Repeat, rephrase or write down your request.
- ▶ Ask and/or indicate before touching the person.
- ▶ Ask the person their preferred method of communication.
- ▶ Minimize the number of people interacting with the patient.
- ▶ Know that hearing aids/cochlear implants may improve hearing, but a person may still benefit from an assistive listening device and still may not understand all that you say.
