## MEMORANDUM

DATE: January 15, 2021

TO: EMS Instructor Coordinators

FROM: Terrie Godde, MDHHS-BETP EMS Education Coordinator

SUBJECT: Virtual Pediatric Medication Administration Continuing Education

The EMSCC has approved the Pediatric Medical Administration required practical CE to be conducted virtually, effective immediately.

Please see the attached lesson plan that must be utilized and followed to hold the CE class virtually. Also attached are 10 sample scenarios that you may utilize. You are not required to use these scenarios, and it is recommended that you create your own scenarios for situations not met in this sample.

To apply for this CE, please include your application to conduct CE at least 30 days prior to the session, the virtual platform you will be utilizing, including a link for Department staff, a copy of your attendance roster, a copy of your certificate of attendance, and a copy of course evaluation.
