

ABLS NOW Pre-Registration Instructions

- Follow the instructions in document 2 to set-up an ABA account.
- All demographic information must be completed, or you will not be associated with the ABLS On-line course.
- **Residents** when creating a new account (IMPX create a new user account) in Step 3 choose “resident or other” from the drop-down box, **NOT physician**. You will automatically be enrolled in the non-physician group.
- The content of both courses is the same, the difference is the CMEs associated with the Physician Group.
- Instructions for attending physicians wishing to take the ABLS Now course are the same with the exception, please choose physician from the drop-down box and you will be enrolled in the correct group for CMEs
- If you have any questions or concerns, please contact Lauren Korte (kortel@michigan.gov) to assist with resolution
