Thank you for your interest in ordering MI - MEDIC. These medication dosing cards are intended to support healthcare providers in the emergency setting, as they assess, stabilize and treat pediatric patients. These cards should be used in conjunction with current EMS protocols and/or hospital care standard practices.

Please fill out a form to submit an order request. If further information is needed, you will be contacted by the Michigan EMS for Children Program.

Issues with the order form? Please contact 517-366-2246 for support.
