TO: ALL DEPARTMENT HEADS, BOARDS AND COMMISSIONS

Please remind your staff that as the summer months continue and the weather becomes warmer, it is important that city employees become increasingly alert to the moods of neighborhoods throughout the city.

If any employee sees any activity which indicates community tension, e. g. large groups of youth, any racial situation or rumors, he or she should call the Task Force (963-4240) any day between 8:00 a. m. to 12:00 midnight. Although an isolated incident may seem insignificant, when joined with other reports, it might become vitally important in identifying those areas needing additional services.

Please make sure every employee is aware of the Task Force and its telephone number. Check to see that bulletins are still posted.
