

# Iron Belle Trail Fund Campaign

The Iron Belle Trail Fund Campaign is a major fund-raising effort to create a seamless, 2,019-mile trail – with two distinct routes, one for bicycling and one for hiking – that connects Michigan from Belle Isle in Detroit to Ironwood in the western Upper Peninsula. The fund campaign aims to raise \$155 million in private funds to support the work necessary to finish the trail, which currently is 68 percent completed.
