

OUTREACH MEETING

DRAFT PLAN REVIEW

Regional, county and local government agencies, officials, staff, advocates, residents, etc. are invited to attend the outreach meeting to:

- learn more about the project
- review the draft document
- provide input related to regional priorities
- review draft Grand Region Bike + Trail Guide maps

MDOT Grand Region Boundaries

The Michigan Department of Transportation:

GRAND REGION NONMOTORIZED PLAN AND NEW BIKE MAPS

June 5, 2017

4 - 7 p.m.

Mason County Airport

5300 US-10, Ludington

A brief presentation will be given at 4 p.m. and again at 5:30 p.m., after which you will have the opportunity to provide input related to your community's/agency's plans, nonmotorized connections, issues, gaps, needs, and priorities.

MDOT is working to develop a nonmotorized transportation plan for the Grand Region to: identify opportunities to enhance nonmotorized transportation, prioritize nonmotorized investment in the region, and provide a vision for a nonmotorized network to guide public and private initiatives. A new bike map will also be provided. In June, MDOT is holding four outreach meetings throughout the 13-county region.

For more information about the project, all meeting details, or if you can't make a meeting and would like to provide input, please visit www.walkbike.info/grand-region/.
