Re: *Transportation Services*

The Detroit Wayne Integrated Health Network's (DWIHN) Access Call Center is working to provide access to individuals needing assistance getting to scheduled appointments. The included list has been used to assist with arranging transportation with the CRSP. The list needs to be updated by your organization

Please review your organization's information and let us know if the information is correct or needs updating on the different tabs. Also, make a note if your organization no longer provides transportation services.

Please update the Excel sheet by Thursday, July 27, 2023, and email to my attention at jdavis2@dwihn.org. Feel free to contact me if you have any questions or comments.

Thank you!
