EXECUTIVE ORDER

No. 2020-55

Michigan Coronavirus Task Force on Racial Disparities

Department of Health and Human Services

The novel coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death. It is caused by a new strain of coronavirus not previously identified in humans and is easily spread from person to person. There is currently no approved vaccine or antiviral treatment for this disease.

On March 10, 2020, the Department of Health and Human Services identified the first two presumptive-positive cases of COVID-19 in Michigan. On that same day, I issued Executive Order 2020-4, which declared a state of emergency across the state of Michigan.

In the three weeks that followed, the virus spread across Michigan, bringing deaths in the hundreds, confirmed cases in the thousands, and deep disruption to this state's economy, homes, and educational, civic, social, and religious institutions. In response to the widespread and severe health, economic, and social harms posed by the COVID-19 pandemic, I issued Executive Order 2020-33 on April 1, 2020. This order expanded on Executive Order 2020-4 and declared both a state of emergency and a state of disaster across the state of Michigan.

The COVID-19 pandemic has disproportionately impacted communities of color throughout our state. For example, while African Americans represent 13.6% of our state's population, they represent a staggering 40% of the deaths from COVID-19. The health and safety of this state and its residents, communities, and businesses would benefit from a task force devoted to thoroughly studying and developing strategies to immediately address this troubling disparity and the historical and systemic inequities that underlie it.

Section 1 of article 5 of the Michigan Constitution of 1963 vests the executive power of the State of Michigan in the governor.

Section 8 of article 5 of the Michigan Constitution of 1963 places each principal department of state government under the supervision of the governor unless otherwise provided.

Section 8 of article 5 of the Michigan Constitution of 1963 obligates the governor to take care that the laws be faithfully executed.

Acting under the Michigan Constitution of 1963 and Michigan law, I order the following:

1. Creating the Michigan Coronavirus Task Force on Racial Disparities

- (a) The Michigan Coronavirus Task Force on Racial Disparities (“Task Force”) is created as an advisory body within the Department of Health and Human Services (“Department”).
- (b) The Task Force must consist of:
 - (1) The lieutenant governor.
 - (2) The director of the Department, or the director’s designee from within the Department.
 - (3) The chief medical executive.
 - (4) 24 members appointed by the governor reflecting the diverse geographic, economic, racial, cultural, gender, and occupational composition of this state.
- (c) A vacancy on the Task Force must be filled in the same manner as the original appointment.
- (d) The lieutenant governor must serve as the chairperson of the Task Force.

2. Charge to the Task Force

 - (1) Study the causes of racial disparities in the impact of COVID-19 and recommend actions to address such disparities.

 - (3) Perform outreach to ensure all stakeholders in impacted areas are informed, educated, and empowered. Stakeholder outreach will include, but is not limited to, community leaders, partner organizations, tribal governments, local government officials, and other elected officials representing the impacted areas.

- (4) Perform outreach to ensure the general public is informed about racial disparities in the impact of COVID-19, and the work of the Task Force.
 - (5) Identify avenues of funding for combatting racial disparities in the impact of COVID-19.
 - (6) Recommend changes in Michigan law relevant to combatting racial disparities in the impact of and response to pandemics.

- (g) A majority of the members of the Task Force serving constitutes a quorum for the transaction of the business of the Task Force. The Task Force must act by a majority vote of its members.

- (h) The Task Force may establish advisory workgroups composed of individuals or entities participating in Task Force activities or other members of the public or of the executive branch of state government, as deemed necessary by the Task Force to assist it in performing its duties and responsibilities. - (k) The Task Force may accept donations of labor, services, or other things of value from any public or private agency or person. Any donations must be received and used in accordance with law.
- (l) Members of the Task Force must not receive additional compensation for participation on the Task Force. Members of the Task Force may receive reimbursement for necessary travel and expenses consistent with applicable law, rules, and procedures, subject to available funding.
- (m) Members of the Task Force appointed under sections 1(b)(2)-(4) of this order must refer all legal, legislative, and media contacts to the Department.

4. Implementation

- (a) All departments, agencies, committees, commissioners, and officers of this state must give to the Task Force, or to any member or representative of the Task Force, any necessary assistance required by the Task Force, or any member or representative of the Task Force, in the performance of the duties of the Task Force so far as is compatible with their duties and consistent with this order and applicable law. Free access also must be given to any books, records, or documents in their custody relating to matters within the scope of inquiry, study, or review of the Task Force, consistent with applicable law.
- (b) This order is not intended to abate a proceeding commenced by, against, or before an officer or entity affected by this order. A proceeding may be maintained by, against, or before the successor of any officer or entity affected by this order.
