EXECUTIVE ORDER

No. 2020-65

Provision of K–12 education during the remainder of the 2019–2020 school year

Rescission of Executive Order 2020-35

The novel coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death. It is caused by a new strain of coronavirus not previously identified in humans and easily spread from person to person. There is currently no approved vaccine or antiviral treatment for this disease.

On March 10, 2020, the Department of Health and Human Services identified the first two presumptive-positive cases of COVID-19 in Michigan. On that same day, I issued Executive Order 2020-4. This order declared a state of emergency across the state of Michigan under section 1 of article 5 of the Michigan Constitution of 1963, the Emergency Management Act, 1976 PA 390, as amended, MCL 30.401 et seq., and the Emergency Powers of the Governor Act of 1945, 1945 PA 302, as amended, MCL 10.31 et seq.

In the three weeks that followed, the virus spread across Michigan, bringing deaths in the hundreds, confirmed cases in the thousands, and deep disruption to this state's economy, homes, and educational, civic, social, and religious institutions. On April 1, 2020, in response to the widespread and severe health, economic, and social harms posed by the COVID-19 pandemic, I issued Executive Order 2020-33. This order expanded on Executive Order 2020-4 and declared both a state of emergency and a state of disaster across the state of Michigan under section 1 of article 5 of the Michigan Constitution of 1963, the Emergency Management Act, and the Emergency Powers of the Governor Act of 1945.

The Emergency Management Act vests the governor with broad powers and duties to “cop[e] with dangers to this state or the people of this state presented by a disaster or emergency,” which the governor may implement through “executive orders, proclamations, and directives having the force and effect of law.” MCL 30.403(1)-(2). Similarly, the Emergency Powers of the Governor Act of 1945 provides that, after declaring a state of emergency, “the governor may promulgate reasonable orders, rules, and regulations as he or she considers necessary to protect life and property or to bring the emergency situation within the affected area under control.” MCL 10.31(1).

Section 1 of article 8 of the Michigan Constitution provides that “schools and the means of education shall forever be encouraged.” Although the COVID-19 pandemic has required the closure of elementary and secondary schools throughout the state for the remainder of the 2019–2020 school year, schools must continue to provide students the highest level of educational opportunities possible under the difficult circumstances before us. We must therefore enable schools and students to innovate and adapt, and not allow these efforts to be inhibited by requirements and restrictions that are misplaced in this time of unprecedented crisis.

Executive Order 2020-35 provided such relief. Among other things, that order suspended all in-person instruction in our K–12 schools for the remainder of the 2019–2020 school year. It also provided for continuity of learning to the greatest extent possible during this unprecedented time, and temporarily suspended strict compliance with certain rules and procedures under the Revised School Code and the State School Aid Act of 1979. This order extends and clarifies that relief, as it remains reasonable and necessary to suppress the spread of COVID-19 and protect the public health and safety of this state and its residents. It also expands that relief to temporarily suspend certain requirements under the Teachers’ Tenure Act, 1937 PA 4 (Ex. Sess), as amended, MCL 38.71 et seq., and for the Great Start Readiness Program, MCL 388.1632 and 388.1639, as it is reasonable and necessary to ensure that the COVID-19 pandemic does not frustrate this state’s ability to retain talented teachers or eliminate opportunities to assist at-risk preschool children in becoming ready for school.

With this order, Executive Order 2020-35 is rescinded.

Acting under the Michigan Constitution of 1963 and Michigan law, I order the following:

I. Suspension of in-person K–12 instruction, GSRP program delivery, and early childhood programs for the remainder of 2019–2020 school year

1. Except as provided in section III of this order, in-person instruction for pupils in kindergarten through grade 12 (“K–12”) is suspended for the remainder of the 2019–2020 school year and school buildings used for the provision of K–12 education must remain closed for the purpose of providing K–12 education in person for the remainder of the 2019–2020 school year. K–12 school sports activities and other in-person extracurricular school activities are suspended while any state of emergency or state of disaster prompted by COVID-19 is in effect. This section applies to all public, nonpublic, and boarding schools in the state.
2. For a district implementing a Continuity of Learning and COVID-19 Response Plan (“CoL Plan”) pursuant to section II of this order, all of the following apply:
 - (a) Strict compliance with rules and procedures under subdivisions (d) to (f) of subsection (3) of section 101 of the State School Aid Act of 1979 (“School Aid Act”), 1979 PA 94, as amended, MCL 388.1701(3)(d) to (f), is temporarily suspended for the period beginning on March 11, 2020 and ending on the last day of the 2019–2020 school year, to the extent

necessary to waive any requirement that a district have a minimum number of the district's membership in attendance on any day of pupil instruction and to waive any requirement that a district report the percentage of the district's membership in attendance to the Department of Education ("Department").

- (b) Strict compliance with rules and procedures under sections 101(3)(a), 101(3)(b), 101(4), 101(6), and 101(10) of the School Aid Act, MCL 388.1701(3)(a), 388.1701(3)(b), 388.1701(4), 388.1701(6), and 388.1701(10), requiring a district to provide at least 1,098 hours and 180 days of pupil instruction, is temporarily suspended to the extent necessary to provide for the following exceptions to that requirement:
 - (1) In addition to counting as hours and days of pupil instruction under section 101(4) the first six days or the equivalent number of hours for which pupil instruction is not provided because of conditions not within the control of school authorities, the Department shall count up to 13 additional days or the equivalent number of hours for which pupil instruction is not provided due to a closure of schools pursuant to an executive order issued by the governor in response to the COVID-19 state of emergency and/or state of disaster.
 - (2) Under section 101(10), a district may also count an additional five days or the equivalent number of hours used for the purpose of preparing to provide and providing instruction by alternative modes of instruction pursuant to a CoL Plan as days or an equivalent number of hours of pupil instruction.
- (c) Strict compliance with rules and procedures under section 101(9) of the School Aid Act, MCL 388.1701(9), is temporarily suspended to the extent necessary to permit a district that has a Department-approved alternative education program or another innovative program approved by the Department under MCL 388.1701(9) and that does not use a 100% online model of delivery approved before the effective date of this order to use the additional exceptions provided for in section I.2(b) of this order in satisfying the number of days and hours of instruction required under a waiver granted by the Department under section 101(9).
- (d) Strict compliance with rules and procedures under section 101(9) of the School Aid Act, MCL 388.1701(9), is temporarily suspended to the extent necessary to waive the minimum number of hours and days of pupil instruction required under section 101(3) of the School Aid Act, MCL 388.1701(3), for any district with a CoL Plan approved under section II of this order. A district with a CoL Plan approved under section II of this order will be considered to be operating a Department-approved alternative education program or another innovative program approved by the Department for the remainder of the 2019–2020 school year only. A district with a CoL Plan approved under section II of this order is not subject to forfeiture of money under section 101 of the School Aid Act,

MCL 388.1701. If the district does not comply substantially with the terms of the CoL Plan, the amount of any forfeiture under MCL 388.1701 will be calculated based on a comparison of the number of hours and days of pupil instruction provided to the minimum number of hours and days of pupil instruction required under MCL 388.1701(3), as affected by this order. A district with a CoL Plan approved under section II of this order is not required to report to the Center the pupils enrolled in a Department-approved alternative education program under MCL 388.1701(9).

3. A school of excellence that is a cyber school, as defined in section 551 of the Revised School Code (“School Code”), 1976 PA 451, as amended, MCL 380.551, and is in compliance with section 553a of the School Code, MCL 380.553a, may continue to educate pupils in a manner consistent with section I.A of this order, and continues to be exempt from the requirements of subsections (3) and (8) of section 101 of the School Aid Act, MCL 388.1701(3) and (8).
4. If before March 11, 2020, a district was providing nonessential elective courses to nonpublic school pupils, homeschool pupils, or both at either a district, intermediate district, or nonpublic school site pursuant to section 166b of the School Aid Act, MCL 388.1766b, and is able to continue to offer the nonessential elective courses through alternative modes of instruction, then the district may, to the extent feasible, provide for such courses in its CoL Plan and continue to offer the nonessential elective courses to nonpublic school and/or homeschool pupils through alternative modes of instruction for the remainder of the 2019–2020 school year.
5. Nothing in this order alters the inapplicability of subsections (3) and (8) of section 101 of the School Aid Act, MCL 380.1701(3) and (8), to eligible pupils enrolled in a dropout recovery program that meets the requirements of section 23a of the School Aid Act, MCL 388.1623a. As used in this section, “eligible pupil” means that term as defined in MCL 388.1623a.
6. The approval of the Superintendent of Public Instruction (“Superintendent”) or the Department is not required for a district to make use of a waiver provided for under section I.2 of this order.
7. Strict compliance with rules and procedures under section 6(7)(b) of the School Aid Act, MCL 388.1606(7)(b), is temporarily suspended to eliminate the requirement during the 2019–2020 school year for a district or intermediate district maintaining school during the entire school year to use the fourth Wednesday in April as a pupil membership count day.
8. Strict compliance with rules and procedures under sections 1284 and 1284a of the School Code, MCL 380.1284 and 380.1284a, is temporarily suspended as necessary to facilitate implementation of section I of this order.
9. Strict compliance with rules and procedures under section 104b(4)(b) of the School Aid Act, MCL 388.1704b(4)(b), is temporarily suspended to the extent

necessary to permit a district to include each day that a pupil is deemed in attendance under section I of this order or pursuant to a CoL Plan under section II of this order as a day the pupil was in attendance at school during the 2019–2020 school year for purposes of MCL 388.1704b(4)(b).

10. Strict compliance with rules and procedures under section 29.19 of the Fire Prevention Code, 1941 PA 207, as amended, MCL 29.19, is temporarily suspended for the remainder of the 2019–2020 school year as follows:
 - (a) All requirements that a district or intermediate district conduct a minimum number of fire drills, lockdown drills, and tornado drills during the 2019–2020 school year, or conduct such drills after March 11, 2020 and before the end of the 2019–2020 school year, as required under section 19(2) to (6), MCL 29.19(2) to (6), are waived.
 - (b) All requirements that a district or intermediate district record or publish documentation pertaining to scheduled and completed fire drills and tornado drills that otherwise would have been required after March 11, 2020, as required under sections 19(1) and (8), MCL 29.19(1) and (8), are waived.
 - (c) All requirements for rescheduling drills scheduled after March 11, 2020 but not conducted, and for notifying emergency management coordinators and law enforcement agencies, as required under section 19(8), MCL 29.19(8), are waived.
11. Strict compliance with rules and procedures under sections 1169, 1506 and 1507(6) of the School Code, MCL 380.1169, 380.1506, and 380.1507(6), and section 166a(1) of the School Aid Act, MCL 388.1766a(1), is temporarily suspended for the 2019–2020 school year so as to waive instruction requirements unmet by a district prior to March 11, 2020, except as described in the district’s approved CoL Plan.
12. Strict compliance with rules and procedures under sections 1561 and 1577 to 1599 of the School Code, MCL 380.1561 and MCL 380.1577 to 380.1599, is temporarily suspended to the extent necessary to waive all compulsory attendance requirements and enforcement measures for the 2019–2020 school year, consistent with this order and a district’s CoL Plan.
13. Strict compliance with rules and procedures under section 1170a(1) of the School Code, MCL 380.1170a(1), is temporarily suspended for the 2019–2020 school year so as to waive psychomotor skills instruction requirements, except as described in the district’s approved CoL Plan.

II. CoL Plans (including addenda for early childhood programs)

1. A CoL Plan must include all of the following elements:
 - (a) A description of the methods a district will use to provide alternative modes of instruction other than in-person instruction and a summary of materials each pupil and the pupil's parents or guardians will need to meaningfully access the alternative modes of instruction included in the CoL Plan. If the CoL Plan relies on electronic instruction, the CoL Plan must ensure to the extent feasible that pupils have access to a device capable of accessing the electronic instruction and must not penalize a pupil for the pupil's inability to fully participate.
 - (b) A description of the methods a district will use to keep pupils at the center of educational activities, including outreach to continue building relationships and maintain connections, and to help pupils feel safe and valued.
 - (c) A description of plans to deliver content in multiple ways so that all pupils can access learning.
 - (d) A description of plans to manage and monitor learning by pupils.
 - (e) A budget outline estimating additional expenditures associated with the CoL Plan and sources of revenue to pay for those expenditures.

2. A CoL Plan must do all of the following:
 - (a) Provide for assistance, to the extent feasible, to pupils enrolled in any postsecondary dual enrollment courses under the Postsecondary Enrollment Options Act, 1996 PA 160, as amended, MCL 388.511 to 388.524, and the Career and Technical Preparation Act, 2000 PA 258, as amended, MCL 388.1901 to 388.1913, in completing the courses during the 2019–2020 school year.

 - (g) Any CoL Plan adopted by an intermediate district pursuant to section II.6 of this order shall include a plan for early childhood services, including Great Start Readiness Program, compliant with the requirements of section II.16 of this order and guidance issued by the Department. For purposes of this section, the Early Childhood Plan may be incorporated in the original CoL Plan submitted for approval or submitted for approval as an amendment or addendum to the district's currently approved CoL Plan.
3. A CoL Plan may provide for the adoption of a balanced calendar instructional program for the remainder of the 2019–2020 school year and planning for the adoption of a balanced calendar instructional program for the 2020–2021 school year.
 4. A district may contract with one or more providers for implementation of a CoL Plan.
 5. If a district lacks the capacity to implement a CoL Plan on its own, a district may partner with one or more other districts or intermediate districts. A district may enter into one or more cooperative agreements under section 11a(4) of the School Code, MCL 380.11a(4), to provide for implementation of a CoL Plan.
 6. For a district that is not a public school academy, the district's CoL Plan must be approved by the intermediate superintendent of the intermediate district in which the district is located. For a district that is a public school academy, the district's CoL Plan must be approved by the authorizing body of the public school academy or the authorizing body's designee for the purpose of administering contracts with public school academies. For a public school academy that by agreement provides public educational services for the residents of a district that does not directly provide public educational services to its residents, the public school academy's CoL Plan must be approved by the intermediate superintendent of the intermediate district in which the public school academy is located. If an intermediate district educates K–12 students, the intermediate district may adopt a CoL Plan for

7. An intermediate district or an authorizing body shall approve a CoL Plan submitted by a district if the CoL Plan complies with the requirements of section II of this order and if the intermediate district or authorizing body believes the CoL Plan represents a good-faith effort to provide adequate alternative modes of instruction given the limitations resulting from the COVID-19 pandemic and accompanying response efforts. Intermediate districts and authorizing bodies must allow for flexibility and presume that a CoL Plan submitted by a district will be implemented to the best of the district's ability.
8. Intermediate districts and authorizing bodies shall transmit copies of approved CoL Plans to the Superintendent and to the State Treasurer. If a district or intermediate district maintains a public internet site, the district or intermediate district shall post its approved CoL Plan on the internet site.
9. An intermediate district may enter into a cooperative agreement with one or more other intermediate districts for the purpose of reviewing and approving CoL Plans under this order.
10. An intermediate district or authorizing body that reviews and approves or disapproves CoL Plans on its own or with others pursuant to section II of this order will be eligible for any additional funding appropriated to support these activities. An intermediate district or authorizing body that does not review and approve or disapprove CoL Plans will not be eligible for any additional funding appropriated.
11. Intermediate districts and authorizing bodies must be prepared to review and approve or reject CoL Plans beginning on April 8, 2020.

13. A district that is not a public school academy may amend its CoL Plan with the approval of the intermediate superintendent of the intermediate district in which the school district is located. A district that is a public school academy may amend its CoL Plan with the approval of its authorizing body or its designee. For a public school academy that by agreement provides public educational services for the residents of a district that does not directly provide public educational services to the residents on its own, the public school academy's CoL Plan may be amended with the approval of the intermediate superintendent of the intermediate district in which the public school academy is located.

14. Decisions regarding the awarding of credit, the issuance of grades, and the use of pass or fail designations will be made at the district level by districts with due recognition of the impact of the COVID-19 pandemic.
15. State-approved nonpublic schools and parents and guardians homeschooling students are encouraged to do all of the following:

The intermediate school district is responsible for ensuring all subrecipients, including community-based providers, create a GSRP plan. Subrecipient plans may be incorporated in the original CoL Plan submitted for approval or may be submitted for approval as an amendment or addendum to the district’s currently approved CoL Plan. Plans must include, at a minimum:
 - (a) A description of plans to provide and document, at a minimum, how all members of the GSRP teaching team will engage on an ongoing basis with enrolled children and their families, through the most convenient communication method for the family in light of COVID-19-related orders and guidance, and, as appropriate, provide children and their families plans for the transition from GSRP to kindergarten. This outreach must include a virtual conference with the family.
 - (b) A description of how GSRP funds and resources will be used to implement a modified program that is developmentally appropriate for the strengths, interests, and needs of each individualized child.

- (c) A best estimate of the date on which subrecipients will begin implementation of the GSRP plan, which must be no later than May 7, 2020.

III. District employees permitted in district buildings

1. Notwithstanding the closure of school buildings under Executive Order 2020-11 or any executive order that may follow it, district employees or contractors necessary to conduct minimum basic school operations consistent with a CoL Plan, including those employers or contractors necessary to facilitate alternative modes of instruction, such as distributing materials and equipment, or performing other necessary in-person functions, are permitted to be physically present in district buildings, as determined by district administrators. District employees and contractors performing these functions are considered to be performing necessary government activities for purposes of Executive Order 2020-59 or any executive order that may follow it. Districts must adopt social distancing practices and other mitigation measures to protect district employees and contractors, including all of the following:
 - (a) Restricting the number of employees and contractors present in a district building to no more than is strictly necessary to perform the activities authorized by section III of this order.
 - (b) Promoting remote work to the fullest extent possible.
 - (c) Keeping employees and contractors in a district building at least six feet from one another to the maximum extent possible.

 - (e) Adopting policies to prevent employees and contractors from entering the premises if they display respiratory symptoms or have had contact with a person who is known or suspected to have contracted COVID-19.
 - (f) Any other social distancing practices and mitigation measures relating to COVID-19 recommended by the Centers for Disease Control and Prevention.
2. A district may permit parents and guardians of pupils to visit school property for the purpose of obtaining materials and equipment pursuant to a CoL Plan and using the same social distancing and other mitigation measures required for district employees and contractors under section III.1 of this order. Parents or guardians leaving their homes or residences for this purpose are considered to be obtaining necessary services or supplies for purposes of Executive Order 2020-59 or any executive order that may follow it.

3. Any childcare workers at a childcare located within a district building (including workers at disaster relief childcare centers), are permitted to be physically present in district buildings, as determined by district administrators and to the extent permitted by Executive Order 2020-59 or any executive order that may follow it.
