

COVID-19 UPDATE

5.1.20

STAY HOME.

STAY SAFE. SAVE LIVES.

Dear Governor Whitmer,

Hi, I'm Lauren. I am 10 and live in Washington Twp. Last year I started a Business (and I made my brother Britton a Partner) to make scrunchies to sell and raise money to help the homeless community. When Covid-19 started, we learned how to make masks, for nurses. We donated over 150, and now we are selling + people in the community, to help them stay safe. We are donating our profits to help support an anti-human trafficking organization. We have made 100 masks in-between our school work! While I was watching your speech Monday, I noticed that we had a mask that matched your outfit, and I decided to send it to you! Thank you for all you are doing to keep our state
