**WE ARE AT A TURNING POINT
IN OUR FIGHT AGAINST
COVID-19 IN MICHIGAN.**

**Coronavirus cases traced to East Lansing
Harper's Brew Pub rise to 152**

**Weekend party at Torch Lake sandbar leads to
coronavirus outbreak**

**ON FRIDAY, I SIGNED AN
EXECUTIVE ORDER
REQUIRING MASK USE IN ALL
INDOOR PUBLIC SPACES.**

Mask up, Michigan

Chance of Transmission	Asymptomatic COVID-19 Carrier	Uninfected Person
HIGHEST		
HIGH		
MEDIUM		
LOW		
LOWEST		
PRACTICALLY NONE		

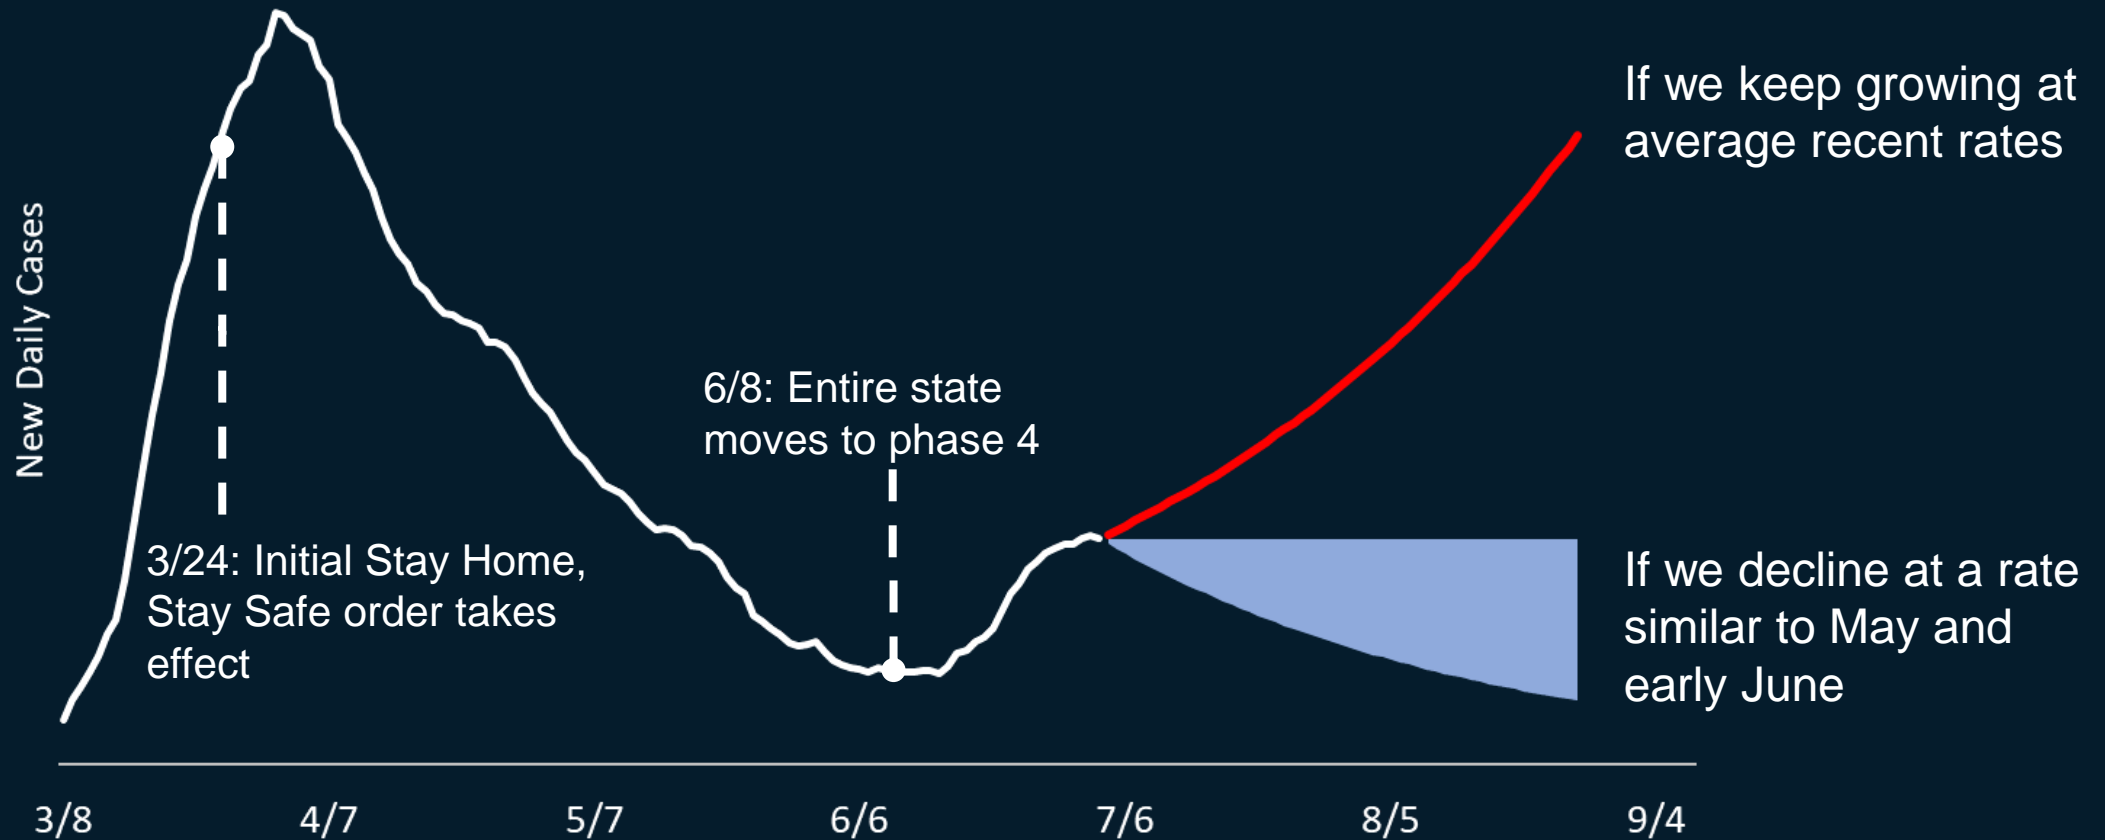

Research suggests that mask wearing can help stop the diffusion of the virus through the air¹

Masks can help prevent spread before any symptoms are showing; one benefit of mask wearing is protecting others

1. Research cited on CDC website

Masking up and practicing social distancing can make it possible to more safely send students back to school in the fall

Michigan daily cases: Possible scenarios
