

STATE OF MICHIGAN  
OFFICE OF THE GOVERNOR  
LANSING

GRETCHEN WHITMER  
GOVERNOR

GARLIN GILCHRIST II  
LT. GOVERNOR

**EXECUTIVE ORDER**

**No. 2020-167**

**Food Security Council**

**Department of Health and Human Services**

Food insecurity is a pressing and persistent problem in Michigan. Despite the tireless work of numerous individuals and groups, many Michigan residents continue to live without reliable, daily access to an adequate amount of affordable, nutritious food.

The effects of food insecurity are significant and far-reaching. The problem impacts the educational outcomes of our children, the costs of our health care, the development and stability of our workforce, and the rates of crime in our communities.

COVID-19 has only exacerbated this problem. The pandemic has deeply disrupted the well-being of this state's residents and the stability of its economy. As a result, more Michiganders have found themselves dependent on assistance programs and emergency food resources in their communities to meet their daily needs.

The health of Michigan's economy, residents, and communities would benefit from a body focused on formulating a cohesive, collaborative, and actionable plan for achieving food security for all of Michigan's residents, both during this pandemic and thereafter.

Section 1 of article 5 of the Michigan Constitution of 1963 vests the executive power of the State of Michigan in the governor.

Section 8 of article 5 of the Michigan Constitution of 1963 obligates the governor to take care that the laws be faithfully executed.

Acting under the Michigan Constitution of 1963 and Michigan law, I order the following:
