GARLIN GILCHRIST II
LT. GOVERNOR

July 15, 2021

Michigan State Senate
State Capitol Building
Lansing, MI 48909-7536

Senators,

Today, I signed Enrolled Senate Bill 28 of 2021, which creates the post-acute auto injury provider relief fund.

I remain committed to ensuring that catastrophically injured Michiganders can access the care they need. My hope is that Senate Bill 28 can be a part of helping ensure that post-acute care providers can continue to help accident victims recover from their injuries. I also hope that the data submitted by providers under this act improves our understanding of the impact of no-fault insurance changes on the post-acute care provider industry.

Going forward, I ask this Legislature to continue to work to ensure that our most vulnerable have access to the care they are entitled to under their insurance policies.

Sincerely,
